

We are looking for a

## Manager (f/m)

## Products & Projects

We are an international financial technology startup in the area of digital asset & wealth management. Within two years Fincite grew to become one of the biggest digital asset management B2B-Provider in Germany. From disruptive technology financial products like Robo Advisors, Marketplaces to Customer-Lifecycle-Management, we strive to become one of the leading european B2B-Fintechs.

### Your Responsibilities

- **Take the Driver Seat** - As a Manager Products & Projects you will early get responsibility to manage teams and client relations.
- **Communication** – You will coordinate challenging tasks working with clients and a remote team.
- **First Contact** – You will take ownership on client contact and will have to prove your reliability.
- **Innovation** - You can take active part on how we develop future applications and features around

### Your Profile

- **Background:** You did your bachelors or masters in Technology, Finance or Business Administration (or possess a natural talent).
- **Reliable working:** You know how to work self-organized and are driven to bring challenges to a success.
- **Project/Product Management:** You know the tools & methods to organize development effort
- **Passion:** You are passionate for the impact of technology on finance & combine entrepreneurial spirit with empathy for corporates.
- **Learning:** You learn fast and want to grow skills & personality. Plus you have solid English skills

### What we offer

While working in a young & ambitious team you will experience an open-minded and dynamic working atmosphere in a modern office near the city center of Frankfurt. You will take responsibility very early in an environment with a flat hierarchy. Our ambition is to grow the people in our team to leaders in their field.
